so you want to be a doctor is written specifically for young people who are considering embarking on a medical degree as well as for those already enrolled this essential guide covers prerequisites for admission into medical school at both undergraduate and graduate entry level what to expect as a qualified doctor in australia today and what the australian community expects in its doctors life as a student from the application selection and interview process to the pressures of study advice on managing stress and distress and where to get help if needed the 18 medical schools in australia

their similarities and differences and particular focus or strengths the australian health care system and career paths for medical graduates it includes advice about study methods financial support and balancing study with part time work and a social life as well as information that is relevant to specific groups such as aboriginal and torres strait islander students international students and students with a disability so you want to be a doctor provides all the information a prospective medical student might need to decide on pursuing a career in medicine and to survive and thrive during the course of their study

conservatives and progressives rarely agree on much but one thing many agree upon is that it s not ok to be a moderate this book shows they are wrong in why it s ok to be a moderate marcus arvan shows how many of history s worst evils have resulted from far right and far left radicalism how escalating conflicts between conservatives and progressives are undermining democracy and how many widely hailed social and political achievements have been achieved by moderates and radicals working in constructive tension with each other using philosophy science and historical analysis arvan shows that critics of moderates tend to equate them with spineless centrists but that most moderates aren t centrists falling into diverse categories across the political spectrum arvan then shows that although radicals tend to be popular in their era many of them have gone down in infamy while many moderates like abraham lincoln or clement attlee have endured short term unpopularity to make history arvan shows that it s ok to be a moderate precisely because not everyone should be one he makes this case to you showing that whatever your reasonable political ideology may be things tend to go best politically when radicals and moderates effectively complement each other s virtues while counterbalancing the other s vices key features uses science and historical analysis to show that while liberals and conservatives may have some political virtues radicals on both sides

of the political spectrum tend to display twelve political vices that undermine democracy explores how aristotle s idea of the golden mean and buddhism s middle way might be used to better understand far left and far right mistakes in the uk us continental europe and india shows how moderates are a leading political demographic existing in greater numbers than liberals or conservatives while falling into diverse categories across the political spectrum documents how radicalism has underwritten many of history s worst political events along with many of the most widely acknowledged political problems of the 20th and 21st centuries demonstrates to the reader that things tend to go best politically when radicals and moderates work in constructive tension with each other and worst when there aren t enough moderates
